Don't Miss the All New SOLD!
Program at HDAW'13

SOLD! - (Service Opportunities & Learning Day)

About the SOLD! Program: The HDAW SOLD! Program is an optional education program that targets the owners and managers of service operations, including distributors offering service. The program is in addition to the regular **HDAW** education program and the Trade Show and does not conflict with any **HDAW** program. Attendance to the SOLD!

Program requires a separate registration fee of \$99. Registration includes four information-packed sessions with solid take-a ways, breaks and a luncheon. Breaks and luncheon will provide valuable networking time with your peers in the service industry.

[BorgWarner Introduces First Three-Stage Turbocharging System](#)

BorgWarner will supply its innovative three-stage turbocharging technology for BMW's M Performance diesel engine, the most powerful six-cylinder in-line diesel engine in the world. With a maximum output of 280 kW (381 HP) and a maximum torque of 740 Nm (546 lb-ft), the 3.0-liter engine uses BorgWarner's three-stage turbocharging system to deliver unparalleled performance and improved fuel economy.

[Will Jeep Lovers Blaze a New Trail for Diesel?](#)

Even though fuel prices have generally fallen in recent weeks -- outside of areas ravaged by super storm Sandy -- there are more than a few consumers out there who would line up to gladly pay \$1 more per gallon or more to get what they want. And what they want -- these few, these happy few -- are diesel-powered Jeep SUVs that are legal to drive anywhere in the United States.

[Campaign for Clean Air - EPA's National Clean Diesel Campaign](#)

EPA's National Clean Diesel Campaign (NCDC) will begin accepting applications for a new rebate program on **November 13**. An important change in the Diesel Emissions Reduction Act (DERA) reauthorization was to allow EPA to award rebates. This first year of rebates will be a pilot program focusing on the replacement of older school buses in both public and private fleets.

[Diesel Dips 2¢ to \\$4.01 a Gallon](#)

Diesel fell 2 cents to \$4.01 a gallon, its third straight downturn, while gasoline fell 7.6 cents to \$3.492, its fourth straight decline, the Department of Energy reported Monday.
