HDAW 2013 Launches Registration

Heavy Duty Aftermarket Week (HDAW) 2013 officially launches its online registration for the HDAW'13 conference scheduled for Jan. 21-24, 2013 at the Mirage in Las Vegas, Nev. Registration fees includes an enriched distributor education program, multiple networking opportunities, receptions and meals, a 100,000-square-foot product expo and pre-scheduled distributor/supplier one-on-one meetings.

Additionally, attendees can register for the all new optional service shop operations program: Service Opportunities and Learning Day (SOLD!), which will take place on Monday, Jan. 21 prior to the All-Industry Opening Reception.

Registration fees for ADS members are \$575 for the first two individuals and \$325 for each additional attendee from the same company. Visit www.hdaw.org for program, registration and exhibit space reservation information.

2012 ADS Convention Photo Gallery

Attention 2012 ADS Convention Attendees: The online Convention photo gallery is now available along with several of the Convention presentations. Click the link to access: www.diesel.org/ads-2012convention.

We hope you are looking forward to joining us next year in San Diego, California for another great Convention & Tradeshow! Again, thanks for being in Florida! See you in 2013!

In Memoriam

Peter Klotz, former vice president of sales at DSCA passed away on August 29th. Klotz was 58 years old. Klotz worked at DSCA for 24 years and was one of the pioneers in developing the "First Time Fit" aftermarket program for DENSO. He has left a lasting legacy on DSCA.

Klotz served as an ADS Board Member from 1987 – 1991. After leaving DENSO, Klotz worked for WORLDPAAC, a DENSO customer, and held many leadership roles in the automotive aftermarket industry.

In lieu of flowers, the Family asks that donations be made to The WunderGlo Foundation to help continue Klotz's fight against colon cancer. To learn more visit www.wunderglofoundation.org.

New Federal Fuel Economy Standards Expected to Increase Popularity of Clean Diesel Cars

The new fuel economy standards for automobile and light trucks announced by Obama Administration officials will expand the opportunity for cleaner diesel cars, light trucks and SUVs in the U.S., according to Allen Schaeffer, the Executive Director of the [Diesel Technology Forum](#).

Navistar CEO Ousted After Failed Diesel Bet

Navistar International Corp. replaced Chief Executive Officer Daniel Ustian with former Textron Inc. CEO Lewis Campbell on an interim basis, after the truck maker's bet on a new generation of diesel engines failed to live up to its promise. The company, which was hit hard by its failed engine strategy and has withdrawn its 2012 earnings forecast, also promoted Troy Clarke, currently head of its truck and engine operations, to president and chief operating officer.

San Francisco Diesel Rises to Record on 7-Year Supply Low

Spot diesel in San Francisco rose to the highest level against futures since at least 2007 after inventories of the fuel in California dropped.

Women in Green Forum to Spotlight the Challenge of Clean Diesel

The panel will include Tana Utley (Caterpillar), Vickie Patton (Environmental Defense Fund) and Moderator Sarah Backhouse (Future360). The Diesel Technology Forum (DTF) is proud to be a Gold Sponsor of the 2012 Women in Green Forum during its third annual gathering of female environmental leaders ranging from corporate sustainability officers to academic researchers to technology developers.
