## 2017 Latin American Meeting

May 14-18

Hotel Now Sapphire

Riviera Cancun

*As requested, we are returning to the Riviera Cancun!*

At this event, recognized speakers in the diesel industry will provide an extensive view of the technological advances within our industry. We will hold the Exhibit Hall of Parts that gathers manufacturers and sellers of the diesel injection systems from several countries. Your participation is very important to us and we want to provide an experience for you to make your companies more profitable and competitive in today's market place!

### [Childhood hobby turned into career for diesel mechanic](#)

"Oil, grease and diesel engines are just some of the things that get Ryan Schusted up in the mornings to make the 50-mile commute to work.

It's the familiar mix of troubleshooting, tinkering, trial and error and the ultimate success of getting an engine running again that has sparked a drive and passion in Schusted for transportation."

### [Porsche announces Platinum Cayennes and diesel fixes](#)

"Porsche is clarifying the steps it's going to take to address emissions issues surrounding its Cayenne diesel models on sale in the US caught up in parent company VW's Dieselgate scandal while at the same time looking to make the same range of performance SUVs even more attractive to European buyers."

### [Has threat of increased costs put off diesel drivers?](#)

"Almost half of diesel drivers plan to buy another diesel car when they change vehicle, despite
