IMPORTANT NOTE:

Various telemarketing firms with names like Corporate Booking Services Company (CBS International), Global Housing Services Corporation, National Travel Associates and others have contacted ADS attendees in the past to solicit hotel reservations for the ADS International Convention & Tradeshow.

None of these companies are affiliated with ADS or the Wynn Las Vegas. They are not authorized to book rooms in the name of ADS. There is great risk in booking hotel rooms at the Wynn or other hotels outside of the ADS website link. At some recent shows in Las Vegas, attendees were contacted, made reservations and put deposits down through a similar agency. The agency went out of business prior to the show and all people with reservations made through the third party lost their deposits. In addition, they had no room reservations for that show. The only secure method of reserving ADS rooms at the negotiated rate is through the ADS link.
