10:00 – 12:00

Departure to Biomuseo. Come visit the only building designed by Frank Gehry in Latin America, and see how Panama changed the world.

The Building

Designed by world-renowned architect Frank Gehry, the Biomuseo is his only work in Latin America and the tropics.

The Galleries

Eight galleries tell us about the origin of the Panamanian isthmus and its gigantic impact on the planet's biodiversity.

The Biodiversity Park

The Park will be a living extension of the museum's architecture, exhibits, and programs.

12:15

Departure to Allbrook Shopping Mall, it is the largest, complete, family Shopping Mall of the region, it has more than 700 different shops. (Lunch on your own)
